Dear Delynn,

On September 7, 2001, a joint meeting of the Utah Rural Development Council and the Governor's Rural Partnership Executive Boards was conducted on Southern Utah University's campus.

I am pleased to inform you that at that meeting, the URDC board voted on and unanimously approved to grant the Southeast Utah Community Development Corporation accreditation as a nonprofit organization eligible to receive donations for economic development. As you know, this action could result in up to a 50 percent tax credit to a donor, as allowed for in the Utah Enterprise Zone Legislation.

If you have any questions or need additional information, please call me at (435) 586-7852.

Sincerely,

Scott Truman
URDC Executive Director
